# INTRODUCTION

You are invited to Alberta!

Alberta is a vacation destination that has a variety of activities and holiday experiences that you can sell to your clients year-round. Some of these include sensational sightseeing, gondola rides to the top of a mountain, trail riding, interesting museums and cultural events, and a variety of excellent cuisine available throughout the province.

Alberta has been blessed with some of the world's most beautiful scenery. The internationally famous mountain resorts of Banff and Jasper, and the jewel of the Canadian Rockies, Lake Louise, are in Alberta. They are only three of the many reasons why more than 10 million visitors choose to come to Alberta every year.

What is Alberta really like?

How is the weather in spring?

Where can I take my group for some good entertainment?

Food is really important on my tours. Where is a good place to eat?

How do you get hotel space in the National Parks?

Where can I take my group for something a little different?

What is the history of the Banff Springs Hotel?

Who can do the ground portion for me?

These are only a sample of the many questions that prompted us to produce this manual. Hopefully it will provide an answer to your queries and make your itinerary and tour planning easier.

This manual focuses on the major tourism destinations of the province; Banff and Jasper National Parks and the major metropolitan areas. A number of other centres which are located on the main transportation routes are also highlighted.

If you require a more detailed listing on a particular area not included in the manual, please ask for one of the Travel Alberta publications listed below.

## ALBERTA ADVENTURE GUIDE

Describes trail riding, guest ranches, whitewater rafting, fishing, cycling, canoeing and mountain climbing.

## ALBERTA WINTER ACTIVITIES GUIDE

A comprehensive listing describing downhill skiing, cross-country skiing, heli-skiing, and other winter activities available in the province.

We think that prices, dates, times and hours of operation are of interest to you and therefore have included this information in many cases. However, Travel Alberta assumes no responsibility, nor can be held liable for any changes, errors, omissions, or inaccuracies concerning the above. We always advise contacting the appropriate party directly to confirm prices, dates, admissions and other factors pertinent to your tour or client needs. The information contained in this manual is current at time of printing February, 1986.

## SERVICES OF TRAVEL ALBERTA

Tourism in Alberta is a billion dollar industry. The Department of Tourism is the government portfolio dedicated to the development and support of the tourism industry and its many private sector partners. Travel Alberta offers a variety of programs providing support and incentive for the tour operator who has existing packages to Alberta and for those who wish to expand or develop packages that include Alberta. Support and incentive programs include:

- co-operative funding projects for advertising, tour development, brochures and literature
- familiarization tours and financial assistance for tour package development and new destinations
- tour shells
- literature
- exposure of your product to the retail trade

We encourage you to consider our offices as a resource. For further information contact a Marketing representative at (403) 427-4323, 15th Floor, 10025 Jasper Avenue, Edmonton, Alberta, T5J 3Z3

# ABC'S OF ALBERTA

## ACCOMMODATION

All accommodation listed in this publication has been inspected and approved by Travel Alberta. Refer to the section on Accommodation for listings of individual properties and facilities.

## ACCOMMODATION SERVICES

Businesses offering this service are available in major centers in the province. See Mini Directory.

## BANKING

Normal banking hours in Canada are 1000hr to 1600hr (Monday to Friday), with extended hours including weekends in some locations. Visitors who require cheque cashing or other banking services are advised to check times of operation with each specific institution. Several major European and foreign banks have offices in Alberta (mainly Calgary) and will handle some foreign currencies directly. Exchange rates on most currencies fluctuate so comparison shopping is advised.

## BUSINESS HOURS

Normal shopping hours are from 0930 or 1000 hours to 1700 or 1730 hours. Including Sunday in many locations. Night shopping is available in major city shopping plazas until 2100 hours every night except Sunday and in other stores on Wednesday, Thursday and Friday only. There is considerable variation in retail shopping times between locations and towns.

## CLIMATE

Alberta has a temperate climate. There are significant variations between seasons and also from one locale or region to another. See TEMPERATURES, WARDROBE.

## CURRENCY

The unit of currency is the Canadian dollar. Based on the metric system, the dollar is divided into 100 cents, and larger denominations are always in multiples of 10. All denominations are clearly distinguishable by color and pictures.

## TRAVELLER'S CHEQUES

Traveller's cheques in Canadian dollars are the safest way to carry money and are accepted by banks and most commercial establishments. Some places may also accept American dollars, usually at a predetermined rate. Exchange rates fluctuate, so visitors are encouraged to exchange their funds at Canadian chartered banks at the current exchange rates. These may vary from bank to bank so comparison shopping is advised.

## CREDIT CARDS

Most bank and major credit cards are accepted; but visitors are always advised to check with their own bank before leaving home as well as with the particular vendor before a purchase is made.

## CUSTOMS AND DUTY FREE ALLOWANCE

**Alcoholic beverages and Tobacco Products** — Each visitor may import, duty free, a maximum of 40 ounces (1.1 litres) of liquor, or 24 pints of beer or ale into Canada as personal luggage. Up to 50 cigars, 200 cigarettes and 2 pounds (9 kilograms) of manufactured tobacco may be allowed entry duty-free. To import tobacco products a person must be 16 years of age or over.

**Dogs, Cats and Other Pets** — Dogs and cats from the U.S., (except kittens and puppies under 3 months of age and seeing-eye dogs) must be accompanied by a certificate describing the animal and listing date of rabies vaccination, signed by a licensed veterinarian of Canada or the United States and initialed by the inspecting official at the customs port of entry.

**Firearms, Fishing Tackle** — A visitor does not require a federal permit to possess rifles, shotguns or fishing tackle in Canada, but must provide Canadian customs with a description and serial numbers of such equipment so that the articles may be readily cleared upon their return. Two hundred rounds of ammunition for hunting purpose per person are admitted duty free. Revolvers, pistols and fully automatic firearms are prohibited. Individual licenses are required for hunting and fishing.

**Personal Baggage** — Visitors may bring sporting equipment and personal goods for their own use duty-free by declaring them at entry. Once in every 31-day period, after being in Canada for at least 48 hours, U.S. visitors may take back merchandise for personal or household use up to the value of \$400 duty-free. U.S. visitors spending less than 48 hours may take back \$25 worth of merchandise free of U.S. duty and tax. Other visitors should check the customs regulations of their own country prior to departure.

**Other Countries** — Persons visiting from other countries must have a valid passport, visa or alien card permitting entry. Check with the nearest Canadian Consulate prior to travel.

## CUSTOMS OFFICES

Calgary International Airport — 24 hours — 7 days/week  
Ross International Airport, Coutts — 24 hours — used at own risk  
Edmonton Municipal Airport — 0900-1700 — 7 days/week by prior arrangement.  
Edmonton International Airport — 24 hours — 7 days/week  
Lethbridge — 0800-2400 — 7 days/week  
Medicine Hat — 0900-1700 Mon. - Fri.

## ELECTRICITY

Outlets and voltage (110 or 220 volts) are the same as in U.S.A. Small appliances such as hair dryers, irons, razors, etc. can be used in Canada. For other countries where voltage is different, adapters are required for electrical appliances.

## ENTRY REGULATIONS

Entry into Canada from the United States — Citizens or permanent residents of the U.S. can cross the border either way, usually without difficulty or delay. Passports or visas are not required. However, to speed the crossing, visitors should carry identification, such as a passport, birth or naturalization certificate, as they may be asked to prove citizenship. In order for a U.S. citizen to prove country of residence, a voter's registration card, social security card or driver's license is acceptable.

## FUEL

Both gasoline and diesel fuel are readily available at most gas stations. Fuel permits are not required as there is no fuel or gas tax. Fuel is measured and sold by the litre. For estimating capacity, 1 U.S. gallon is equivalent to 3.8 litres.

## GUIDE SERVICES

Companies offering guide services are available in the National Parks, Calgary and Edmonton. They will provide service anywhere in the province. Local guide service for your city tours or step-on service for specific areas can be a real plus for your history, news, sights and activities. See Directory for Guide Services.

## HEALTH CARE

American visitors should be prepared to present registration numbers for health care insurance coverage, to pay cash and to be reimbursed later, and to sign documents accepting financial responsibility for services rendered. Policy for each hospital differs. Regardless of financial status or health care coverage, Alberta hospitals will never refuse treatment to those requesting it.

## HOLIDAYS

There are 10 statutory holidays and one civic holiday\* celebrated annually in Alberta. Normally, banks, businesses and stores will remain closed. Hotels, theatres, restaurants and corner grocery stores remain open for business as usual. In some centres, notably in the national parks, many of the shops remain open.

	1986	1987	1988
New Year's Day	JAN 1	JAN 1	JAN 1
Good Friday	MAR 28	APR 17	APR 1
Easter Monday	MAR 31	APR 20	APR 4
Victoria Day	MAY 19	MAY 18	MAY 23
Canada Day	JUL 1	JUL 1	JUL 1
Alberta Heritage Day*	AUG 4	AUG 3	AUG 1
Labour Day	SEPT 1	SEPT 7	SEPT 5
Thanksgiving Day	OCT 13	OCT 12	OCT 10
Remembrance Day	NOV 11	NOV 11	NOV 11
Christmas Day	DEC 25	DEC 25	DEC 25
Boxing Day	DEC 26	DEC 26	DEC 26

## INSURANCE

**Motorcoach** — All charter services operating in Alberta must carry the Motor Vehicle Liability Insurance Card, Canada-Interprovincial, locally referred to as the "pink-card".

**Automobile** — All U.S. motorists are advised to obtain a Canadian Non-Resident Interprovince Motor Vehicle Liability Insurance Card. This card is available only in the United States, through U.S. insurance agents. All provinces in Canada require visiting motorists to produce evidence of financial responsibility should they be involved in an accident. In Alberta, the minimum financial responsibility is \$100,000 third-party liability.

**Personal** — Individual travellers are advised to obtain their own personal luggage, health or other travel insurance as desired.

**Workers' Compensation** — The same statutes and regulations apply to out of province employees while they are within the provincial borders as resident employees in the same industry, regardless of residency of employee or employer. Employees are entitled to compensation subject to the same conditions as any other provincial employee while they are within the provincial borders. For further information contact:

The Assessment Division  
9912 - 107 Street  
Box 2415  
Edmonton, Alberta T5J 2S5  
(403) 427-1246

## LANGUAGE

English and French are Canada's two official languages. English is the predominant language in Alberta. At many banks, hotels and other service institutions some of the employees might speak French. Shops in many key tourist destinations have multilingual staff.

## METRIC MEASURES

Alberta uses the metric system. Temperatures, rainfall measures, distances, weights, velocity are expressed in metric units. Distance is measured by kilometers, (1 km =  $\frac{5}{8}$  mile), speed signs are in kilometers per hour, gas is sold by the liter (approx.  $4\frac{1}{2}$  liter = 1 imperial gallon) and temperature is measured on the Celsius scale. The following charts should be of assistance if you need to convert.

### Temperature

-40°C	.....	-40°F
-29°C	.....	-20°F
-23°C	.....	-10°F
-18°C	.....	0°F
-12°C	.....	10°F
-4°C	.....	25°F
0°C	.....	32°F
10°C	.....	50°F
15.5°C	.....	60°F
21°C	.....	70°F
27°C	.....	80°F

### Distance

1 km =  $\frac{5}{8}$  mile  
to calculate:  
1 km  $\times$  .6 = approximate mileage  
1 mi  $\times$  1.6 = approximate kilometers

### Velocity

100 km/hr = 58 mph

### Weight

1 kilogram = 2.2 lbs 500 grams = 1.1 lbs

## MOTORCOACH REGISTRATION

The Motor Transport Act does not require that charter bus companies display Alberta plates on the vehicle when operating in Alberta on a bona fide chartered trip; however an operating authority is required. For twelve trips or fewer per year, operators may apply for authorities to the Alberta Motor Transport Board:

P.O. Box 5002  
4920 - 51 Street  
Red Deer, Alberta T4N 5Y5

The following information should be included with your application:

- name/address of applicant
- proof of insurance
- safety inspection certificate
- specified dates of entry and exit
- name and make of vehicle
- vehicle serial number and license number
- number of passengers

Single trip authority can be obtained at weigh scales located throughout Alberta. Cost of a permit is \$5.00 CDN. Stations located at points of entry are:

Vermilion	Grande Prairie
Medicine Hat	Coutts
Hinton	Jumping Pound

**NB: Permits can only be obtained at border crossings if Vehicle Safety Inspection Certificate and proof of insurance are produced. For thirteen or more trips per year, a carrier must apply for an Extra Provincial Operating Authority. Carrier must obtain and submit a completed Form L to the Alberta Motor Transport Board (same address). It is advisable to make application well in advance of planned departures.**

## **PARKS, NATIONAL**

Charter buses are required to pay \$30 for a single-entry permit each time the bus enters or re-enters the park while touring within the national parks. If the bus is exclusively carrying senior citizens, youth groups, etc., it may qualify for a non-profit organization fee. The charter company must apply for this fee in advance. Write to the superintendent of the national park in question or to the following address:

Parks Canada Western Region  
Room 520, 220 - 4th Ave. S.E.  
Calgary, Alberta T2G 0X5 Canada

or P.O. Box 2989, Station "M"  
Calgary, Alberta T2P 3H8

## **PARKS, PROVINCIAL**

No charge for entry.

## **SALES TAX**

There is none.

## **SERVICE FACILITIES**

**Bus Servicing/Maintenance** — Most Alberta operators offer service (maintenance) facilities for foreign operators (see names and addresses in charter bus section). During peak season first consideration is given to their own fleet, however reservations for servicing can be made. It is advisable to contact operator in advance.

## **TRANSPORTATION**

Alberta has a modern transportation system whether you use private car, air, rail or motorcoach. A broad range of services and schedules are available to the visitor at all major centers. Highways are paved and shouldered and in good repair. See listing under "Directory" for specific companies.

### **Getting to Alberta**

**By air** — Alberta's two major cities, Edmonton and Calgary, have modern international airports with connecting or non-stop service by Air Canada, America West, Continental Airlines, CP Air, Cascade Airlines, KLM, Northwest Orient, Western Airlines, Pacific Western Airlines, Wardair, Lufthansa, Time Air and United.

**By land** — Passenger trains and scheduled motorcoaches bring you to Alberta from most points on the continent. Alberta highways are paved and well-maintained should your clients be travelling by rental car, motorcoach, camper or caravan. VIA rail offers passenger train service across Canada.

### **Getting Around in Alberta**

**By air** — Edmonton is the transportation gateway to the expanding north, with daily air service to many northern communities. Air service is provided throughout the province by several airlines, including Pacific Western Airlines, which offers daily "airbus" flights between Edmonton Municipal Airport and Calgary International Airport.

**By train** — VIA Rail offers passenger service to communities throughout the province. A particularly enjoyable feature for visitors is a trip by glass-enclosed touring car through the Rocky Mountains. There is a spectacular view of the surrounding scenery, especially in the Banff/Lake Louise area.

**Car Rentals** — Most major rental firms are represented in Alberta. See Mini Directory for a listing.

**Ground** — More than 14,000 km (8,700 miles) of paved highways run through Alberta. The Trans-Canada Highway cuts across the southern part of the province through Medicine Hat, Calgary and Banff, while the Yellowhead passes through the central part of the province, from Lloydminster through Edmonton and Jasper. Highway #2 is a primary 4-lane divided highway linking Edmonton and Calgary and vicinities.

## **TIPPING**

Some properties and resort hotels include tips or gratuities with group tours to simplify bookkeeping. This will usually include gratuities for housekeeping, bell service and food service. If meals are included in the price, customary gratuity will be calculated at 15%. On their own, clients should be advised that the standard tip in most restaurants is 10%-15%.

## **WARDROBE**

Tell your clients to dress casually, relax and enjoy their vacation. Clients should be advised that the temperature varies significantly throughout the province and with the season. Even within the same season there can be considerable differences between daytime and nighttime temperatures. The basic wardrobe should include a sweater, slacks and a light topcoat or raincoat as well as lightweight clothing for summer travelling. Sturdy, comfortable shoes are a must, particularly in the mountains where clients may want to do some walking. In spring and fall, a light coat or warm jacket may be required, particularly at high altitudes. In winter, a heavy coat, boots, gloves and warm clothing are a must. For skiing, water resistant nylon pants and jacket and appropriate ski accessories are best. For evening wear, ladies may prefer a dressy pantsuit or dress. Gentlemen will be at ease with a sports jacket.

## **WILDLIFE**

Alberta is a land of natural beauty. Encourage your clients to use their cameras to take their memories and momentos home. We ask visitors to leave all plants, animals and fossils as they are for the enjoyment of those who follow. We ask that you remember the motto of the Parks: "Take only pictures, leave only footprints."

While in the parks, REMEMBER it is ILLEGAL TO FEED, ENTICE OR MOLEST ANY ANIMAL. All wild animals are unpredictable and approaching them is dangerous. Remind your clients!

# DESTINATION ALBERTA!!!

You want your tour to be new, different and have something special that will attract the customers and beat the competition. Alberta is a popular holiday destination and is frequently part of a regional tour package which may include Alaska, Yukon, British Columbia, Montana, or northwestern U.S.A. The following suggested routes are intended to provide ideas for your tours whether you are planning an exclusive Alberta holiday or simply driving through the province as part of a regional tour. Put your own package together using the information contained in the ACCOMMODATION, FOOD SERVICES and ATTRACTIONS sections.

Canada is metric, so distances on maps and road signs are given in kilometres. On the following itineraries, these have been converted to miles for your convenience. Estimated driving times (EDT) are based on local speed limits and roads. Actual driving times may vary according to weather and traffic conditions.

## THE ALBERTA ROCKIES CIRCLE TOUR

The following itinerary is a popular route for fly-coach tours. The trip works equally well starting from either Edmonton or Calgary. Fly your group into Edmonton and depart from Calgary or vice versa if it is preferable to use the same destination for both arrival and departure. (It is a 3 hour drive between Calgary and Edmonton.) Although suggested as a fly-coach trip, it can easily be adapted to a full drive motorcoach trip.

### DAY 1 CALGARY

Whether your clients fly into Calgary's modern International Airport to start their trip, or arrive by coach, they will be the recipients of friendly Western hospitality. Calgary has accommodation to suit every budget, from luxurious, modern highrise hotels with a view of the mountains, to moderately priced facilities. Tempt the palate with our famous Alberta beef, ethnic food or continental cuisine prepared by experts. Sightseeing in Calgary can easily be organized on a group basis for such venues as Heritage Park, Glenbow Museum and the Calgary Zoo. Drive to Scotman's Hill for a terrific view of Stampede Park and the Olympic Saddledome, one of the sites for the next winter Olympics in 1988.

Clients on their own who may wish to go shopping should visit the Devonian Gardens in downtown's Toronto Dominion Square. This indoor 2.5-acre park is located just one floor above one of Calgary's major shopping areas. Be sure to visit the Calgary Tower for a spectacular view of mountains, foothills and ranchland (by day) or the lights of Calgary by night.  
O/N Calgary

### DAY 2 CALGARY TO BANFF

Depart west on Hwy #1  
128km (80mi) EDT 1.5 hours

Make an early departure for Banff and enjoy the scenery as foothills suddenly give way to the majestic Rocky Mountains.

A day in Banff isn't complete without a sightseeing tour. Be sure to include a drive around the Banff Centre, Bow Falls, Banff Springs Hotel, Cave and Basin, Parks Administration Office and flower gardens. For a bird's-eye view, nothing beats the Sulphur Mountain gondola lift or Mount Norquay chairlift. Clients will always appreciate some free time for browsing and shopping in Banff. Handicrafts, woollens, jewelry and art are specialties in the area.

If meals are not included in your package, encourage clients to try the local cuisine. They have a choice of Canadian, Chinese, French, Mexican, Swiss, Italian, Continental, seafood and West-

ern menus. Many visitors just want to relax and enjoy the terrific scenery. For others, there is golf, horseback riding, boat or canoe rental and a host of other activities. See ATTRACTIONS section under Banff.

O/N Banff

### DAY 3 BANFF TO JASPER

Depart on Hwy #1 to the Icefield Parkway Hwy #93  
287km (180mi) EDT 5 hours plus stops

Your clients will want an early start today, as this is the day for the spectacular Icefield Parkway. Remind them to keep cameras handy.

Depart Banff and if desired, make a brief stop at Johnston Canyon on Hwy #1A. Access to #1A is possible 7km west of Banff or 28km west at the Castle Mountain Junction. A footpath (with railings) follows the river and a short 10-15 minute walk provides some excellent views of waterfalls. From Johnston Canyon your clients will enjoy a brief mid-morning coffee stop at Lake Louise. This stop should not be overlooked.

From there it is back to the Icefield Parkway (Hwy #93) and on to Saskatchewan River Crossing for a luncheon stop. Then it is on to the Athabasca Glacier where your clients will be thoroughly impressed with a one-hour ride on the Snow-coach, the vehicle which traverses the glacier. The next stop at Athabasca Falls is approximately 1 1/2 hours north of the Columbia Icefield. Here people may sit by the river, just to watch and listen or follow the footpaths around to the various viewpoints.

The Jasper Tramway at Whistlers provides an overview of the valley and is a great sight at the end of the trip. Jasper is the final destination and hardly a prettier mountain backdrop for a place exists. It is a day to remember. Allow one full day for this trip if possible.

O/N Jasper

### DAY 4 JASPER TO EDMONTON

Depart west on the Yellowhead Hwy. #16  
362 km (226mi) EDT 5 hours plus stops

Your clients will enjoy a leisurely breakfast before boarding their coach at approximately 0900 hrs. Then it is out to Maligne Lake for a narrated 2-hour cruise on a beautiful glacial lake. A barbeque luncheon is waiting for your group at the Chalet upon their return to shore. After luncheon it is time to say goodbye to the beautiful Canadian Rockies and hello to Edmonton, Alberta's capital city. This trip is a full day.

O/N Edmonton

## DAY 5 EDMONTON

Edmonton is a young, bustling city with beautiful parks and a pioneer history. Take your clients to Fort Edmonton, a reconstruction of both the 1845 Hudson Bay fur trading post and Edmonton's humble beginnings. Treat them to a buffalo stew lunch in the Jasper House for a new dining experience. Spend some time at the Provincial Museum and see the history of the oil industry, or get acquainted with some earlier inhabitants, the dinosaurs. The adventuresome in your group will be thrilled by a jet boat ride on the North Saskatchewan River. A visit to the Muttart Conservatory will keep the "green thumb" plant lovers happy while they stroll through four pyramids, each with vegetation from a different climatic zone.

Visit West Edmonton Mall, the world's largest indoor entertainment and shopping complex. There are over 800 stores as well as several restaurants, pubs and fast food outlets. Take in Fantasyland, the Ice Palace, an authentic Spanish Galleon, dolphin show or go on a submarine ride.

In the evening, try a group reservation at Stage West, a dinner theatre establishment which has taste-tempting food and entertainment or visit the new Edmonton Space Sciences Centre, the largest Planetarium in Canada, which features a star theatre as well as an IMAX theatre.

O/N Edmonton

NOTE: From Jasper, you are a one-day drive via the Yellowhead Highway to Vancouver and Expo '86. This itinerary will work very well for a pre- or post-tour to Expo.

## ALBERTA — EAST or WEST

This itinerary is a popular route for coach tours. The trip works equally well from either direction. It can easily be adapted as a fly-coach tour using Edmonton and Vancouver as entrance/exit points and reversing the itinerary.

### DAY 1 ALBERTA BORDER TO EDMONTON

West on Yellowhead Hwy. #16  
250 km (157mi) EDT 2 hours

Heading west on the Yellowhead Route (Hwy. #16) brings your group into Edmonton, Alberta's capital city. Your day may have started in Regina, 785km or 488mi, east of Edmonton, providing an opportunity to enjoy the rolling wheatfields of Saskatchewan as you tour west. On your way through Vegreville, take a few moments to view the "Giant Pysanka", the 5,000 lb. Easter Egg. History buffs of any age will enjoy a stop at the Ukrainian Cultural Heritage Village which is a re-creation of an early Ukrainian settlement. From there it is a short drive to Edmonton.

### DAY 2 EDMONTON

Take a city tour before heading down to Fort Edmonton, a replica of the 1845 Hudson Bay Fur Trading Post. Take the train ride back in time to 1885 Street. Stay for lunch at the Jasper House Hotel and try one of the famous buffalo burgers. Allow some free time for browsing, shopping and relaxing. West Edmonton Mall has over 800 stores and services for your clients to choose from.

O/N Edmonton

## DAY 3 EDMONTON TO JASPER

Depart west on Yellowhead Hwy. #16  
369km (229mi) ETD 5 hours

An early start on this day is needed to bring your group to Maligned Lake in time for an outdoor BBQ luncheon at Maligned Lake Chalet. Take a cruise out to Spirit Island to capture this postcard view on film before checking into your lodging at Jasper. A relaxing afternoon of shopping or browsing is always appreciated. Hiking, boating, fishing, or a ride on the Jasper Tramway and other activities can easily be arranged on an optional basis.

NB: Edmonton to Jasper with the Maligne Lake tour is a full day's trip.

O/N Jasper

### DAY 4 JASPER TO LAKE LOUISE

South on Icefield Parkway Hwy. #93  
229km (143 mi) EDT 4 hours

This memorable day starts with a brief stop at Athabasca Falls where the mighty river literally carves out its own valley. Footpaths lead to several viewpoints, so remind clients to take their cameras. Another brief stop at "Mountain Goat Mineral Lick" provides a panoramic view of the river valley. Lucky visitors often see mountain goats and other wildlife at the licks. Head south on the Icefield Parkway to the Columbia Icefield, about 1 1/2 hrs south of Jasper. Your clients will enjoy an excursion "on ice" in the large rubber tired snowcoaches which transport visitors over the Athabasca Glacier. Make a luncheon stop here or further south at Saskatchewan River Crossing before finishing the day at Lake Louise.

O/N Lake Louise

### DAY 5 LAKE LOUISE TO BANFF

Southeast on Hwy. #1 or #1A  
55km (34mi) ETD 45 min

Take an unforgettable stroll by Lake Louise. Remind guests to take cameras, as the scenery is truly impressive at Moraine Lake and Valley of the Ten Peaks, two stops on the way to Banff. The famous mountain resort of Banff will not disappoint your clients. It is everything any holidayer could ask for.

Take a brief tour around town, a ride up Sulphur Mountain in the gondola and then stop at the famous "castle", the Banff Springs Hotel for lunch. After that, take a sightseeing drive and tour on Lake Minnewanka. The shopping in Banff is excellent for hand-crafts or imaginative gifts. Encourage guests to try the ethnic cuisine available in Banff.

O/N Banff

### DAY 6 BANFF TO KAMLOOPS

Depart west on Hwy. #1  
496km (310mi) EDT 8 hours

After a leisurely breakfast your group bids farewell to the Alberta Rockies, the highlight of this trip. The westward trip today includes Banff, Yoho, Glacier and Mt. Revelstoke National Parks. It is a feast for the eyes with spectacular scenery and excellent opportunities for photography.

O/N Kamloops

# THE GREAT NORTHERN

When your client requests a relaxing holiday away from the hustle and bustle and wants to be close to nature, think of the “Great Northern”. This itinerary includes a portion of the “Northern Woods and Water Route”, so named as a tribute to the intrepid voyageurs who traversed the land by water.

Vast acres of unspoiled forests, sparkling lakes, rivers snaking to the sea; this is the unspoiled wilderness of Northern Alberta, still a sparsely settled pioneer land. Originally claimed by the Hudson Bay Company as Rupert’s Land, it was the riches of the fur trade that enticed the first white man to explore the area. The great waterways from the Rockies to the sea were the first highways across this wilderness.

The small community museums proudly tell this story in their displays, artifacts and historic markers. The friendly, hard working people extend their hospitality to neighbor and visitor with equal warmth.

## DAY 1 EDMONTON

Let your group enjoy a day in Edmonton; sightseeing, shopping or relaxing in one of Edmonton’s parks. Sample Edmonton’s cuisine, there is something for every palate. Vista 33, at the top of the AGT tower, provides a view of the city before your tour. Visit the Alberta Legislature Building, now standing on the side of the original Hudson’s Bay Fur Trading Post. Fort Edmonton, a reconstruction of that fort, tells the pioneer story and is a great place for a group luncheon. Make arrangements for an optional Jet Boat ride on the North Saskatchewan River for the adventuresome individuals in your group. Finish the day with some free time for shopping, dining or watching the dolphin show at West Edmonton Mall.

O/N Edmonton

## DAY 2 EDMONTON TO PEACE RIVER

North to The Northern Woods and Water Route  
485km (300mi) EDT 5 hours

Striking north on Hwy. #37 (or #28), your coach will come to the Alberta Wildlife Park, an open air park with 100 species of animals. Treat your group to an outdoor BBQ luncheon here at the park or board the coach to Slave Lake and lunch at the Sawridge Restaurant, a well known watering hole on the “Woods and Water Route”. This scenic way takes the coach past Slave Lake where you veer north again to Peace River. Visit the Sagitawa and Judah Hill Lookouts on your way into town. From the gravesite of Twelve Foot Davis, there is a stunning view of the confluence of the Smokey, Heart and Peace Rivers.

O/N Peace River

## DAY 3 PEACE RIVER TO GRANDE PRAIRIE

Depart west on Hwy. #2  
198km (124mi) EDT 1½ hours

A relaxing, scenic drive awaits your group today. The first stop will be at Dunvegan which was a major fur trading and agricultural centre in 1805. Visitors will enjoy a brief tour of the St. Charles Mission and Museum. The Kleskun Hills, noted for their unusual formation and dinosaur remains, is the next stop and then lunch in Grande Prairie. A brief city tour includes the Pioneer Museum and Prairie Gallery before a trip to Saskatoon

Island Provincial Park to see the nesting grounds of the rare Trumpeter swans.

O/N Grande Prairie

## DAY 4 GRANDE PRAIRIE TO EDMONTON

Depart southeast  
456km (285mi) EDT 5 hours

This is the last day of the tour. The coach heads east along a scenic highway, all wood and valleys, to Valleyview, then south to Whitecourt, where there is a lunch stop. The tour ends in Edmonton where there may be time to enjoy some of the cultural amenities of the city such as opera, theatre, the symphony or ballet.

# JUST PASSING THROUGH . . .

## THE CROWSNEST HIGHWAY

A delightful change from the busy TransCanada, the Crowsnest Highway runs east-west across flat prairie lands where buffalo once roamed. The land is now home to ranchers and their herds. Lethbridge, locally known as the Irrigation Capital, offers facilities, accommodation and sightseeing. Stay on the Crowsnest Highway until you come to Fort Macleod and visit their famous museum. Originally a NWMP outpost, the notorious history of this quaint, charming town of more than 5,000, is well documented at the Fort Macleod Museum. Famous for their historical decor and good food, the Scarlet and Gold Restaurant reminds present day visitors of the role the RCMP played in taming the west.

## ON YOUR WAY NORTH

You’ll have no regrets if you take your group into Waterton, a picturesque town perched on the shores of the lake by the same name. The lakes and mountains give Waterton a charm of its own and your clients will appreciate the relaxing, peaceful atmosphere.

The summer resort town of Waterton is Alberta’s Rocky Mountain secret. There is more than enough scenery and sightseeing to fill a day and you have a good choice of accommodation and food service. Take time for a narrated boat cruise on the scenic Waterton Lakes, or send your golfers off to do their own sightseeing on the 18-hole course.

## ON THE YELLOWHEAD ROUTE

A number of points of interest can be added to help make your tour a distinctive trip. Include a brief photo stop at Vegreville’s Pysanka, a giant Ukrainian Easter Egg. The design on this two tonne egg tells the story of the area’s settlers.

The Ukrainian Cultural Heritage Village, a re-creation of an early Ukrainian settlement reveals much about the early history of this important ethnic group. Guided tours are available and can be arranged in advance.

Delight everyone with a quick visit to the Stony Plain Multicultural Centre, located just west of Edmonton on Highway #16. A combined art gallery/craft store and studio facilities in the “Settler’s Cabin” display an abundance of homemade crafts and gift items, some for show, some for sale.

# DAY TRIP FROM CALGARY

## DRUMHELLER AND THE DINOSAURS

Drumheller is easily accessible either as a day trip from Calgary or an interesting stop en route between Medicine Hat and Calgary. Here, your clients can visit the newly opened world-class Tyrrell Museum of Palaeontology. The facility features a variety of fossils that trace the evolution of life and includes the world's most extensive display of dinosaurs. Interpretation is done through computers, videos and interactive displays.

On your way again, take the Dinosaur Trail or East Coulee drive;

scenic tours that really give the "feel" of the badlands. See the petrified oyster beds at Horsethief Canyon. Visit the Little Church and see the "Hoodooos", formations carved from the banks of the Red Deer River by wind and water erosion. Although it was only yesterday geologically speaking, 65 million years ago in the Mesozoic era, dinosaurs were abundant in this area. Today the area has attracted international attention, one of the reasons being Dinosaur Provincial Park, a UNESCO World Heritage Site.

# ACCOMMODATION

The following section covers cities and resort areas on major thoroughfares. Travel Alberta produces another book called the **ALBERTA ACCOMMODATION GUIDE** which lists all the government approved accommodation in the province. Please obtain a copy if the following section does not include the place you need.

No room in Banff, try Canmore, full at Jasper, check Hinton.

Several accommodation reservation services which operate in the province can make your tour planner's life easier. These companies are listed in this section by location and also in the Mini-Directory. Using these local services can save you both time and money.

## ABBREVIATIONS AND SYMBOLS USED IN HOTEL/MOTEL LISTINGS

### RATES

Rate ranges indicated are "Maximums" for sleeping accommodation only. Lower rates may also be available. Specialty rooms, (Suites, kitchenette units, etc.) may be higher. Rates are in effect during June to September and may be lower during off-season.

# ATTRACTIONS

The following section indicates the variety of options available in planning a tour. The major attractions included are available to the summer traveller. It takes only a few minutes to enjoy some places, for others, a half or full day is required. Price varies from nothing at all to whatever you or clients wish to spend. Some attractions will appeal to almost everyone, while others cater to a specific interest. Only you and your clients can decide what's best for your tour.

In most instances advance arrangements with the particular attraction involved will enable the operator to give your group special attention and service. We have included detailed information about hours, times of operation and prices because you may find it useful in planning your tours. Although correct at the time of publication, you are advised to contact the operator or a specific venue in advance in case of changes to date, hours of operation, schedules, prices or policies. Not intended as an inclusive list, the following are highlights of activities and the sightseeing available. Another publication called the Alberta Touring Guide can be obtained from Travel Alberta which is a more inclusive publication.

NAME ADDRESS	SEASON	HOURS	COST	GROUP SIZE	VIEW TIME	DESCRIPTION
<b>BANFF</b>						
THE BANFF CENTRE St. Julien Road Box 1020 Banff, Alberta T0L 0C0 762-6300 *	Year-round					Banff Centre is the cultural focus of Banff. Essentially a centre for continuing education, it has acquired a reputation for excellence, particularly in the fine arts. Throughout the summer months, the Banff Centre's professionals and professional-calibre students, entertain residents and visitors alike with performances in dance, music, opera, musical comedy, film and theatre. The visual arts exhibits are not to be missed. Whether incorporated as part of your tour or made available as an option, this dazzling array of concerts in the spectacular setting of the Canadian Rockies add a touch of class to any tour. Performances and exhibits are held year-round. Box office is open MAY to AUG and will have information on concert schedules, tickets, artists, times and prices.  Theatres: Eric Harvie Theatre 959 seats Margaret Greenham 246 seats Max Bell Theatre 280 seats  Group rates, tours and wheelchair assistance available upon request.

# BANFF

CAVE & BASIN On Cave Avenue c/o Visitor Services Administration Building Parks Canada Banff, Alberta T0L 0C0 Phone: 762-3324	Exhibits Year-round  Pool JUN-AUG	1000-1800	FREE  Adult \$1.75 Child \$1.00	N/A	Approx. 1½ hrs	In 1883, surveyors for the Canadian Pacific Railway learned of underground hot springs inside a cave on Sulphur Mountain. After a dispute over ownership of these thermal springs, the federal government in 1885 set aside an area of 10 square miles around the springs to preserve them for the people of Canada. The area was called Banff and was Canada's first National Park laying the foundation for the present park system. The Cave & Basin Centennial Centre was restored and re-opened in honor of Parks Canada's 100th Anniversary and features a variety of exhibits. There are also two self-guided interpretive trails. The first, The Discovery Trail, is located above the centre and describes the history and geology of the Hot Springs. The second, the Marsh Trail, describes the effect of the warm sulphur water on the flora and fauna of the area. The Cave and Basin are open for viewing, visitors may use the outdoor swimming pool. However, this is a "cool pool" and anyone who prefers to try the sulphur hot springs may do so at the Upper Hot Springs on Sulphur Mountain.
LAKE MINNEWANKA TOURS Box 2189 Banff, Alberta T0L 0C0 762-3473	mid-MAY - SEP	Depart 1030 1230 1500 1700 1900	Adult \$10.00 Child \$5.00 Group rates		Cruise time: 1½ hr	Lake Minnewanka is located 11km northeast of Banff on the Lake Minnewanka Road. 0800-2000 hours cafeteria at dock open daily during season. Boats and tackle are available for rent. Brewster Grayline has scheduled bus service to lake. Glass-topped cruise boats take visitors across the lake to enjoy the spectacular scenery.
NATURAL HISTORY MUSEUM 112 Banff Ave. Banff, Alberta T0L 0C0 762-4747 *	Year-round MAY-JUN JUL-AUG SEP OCT-APR	1000-2000 1000-2200 1000-2000 Thur-Sun 1000-1800	Adult \$1.50 Youth (6-16 yrs) \$ .75 Under 6 Free Family \$3.75	25	30 min.	Models, audio visual presentations, dioramas and diagrams display and explain the geological evolution of the Rockies. Displays include rocks, minerals, fossils of dinosaur bones, flowers and plants. A star attraction is the life-size model of "Sasquatch", the legendary mountain ape said to be living in remote mountain areas. Handicapped facilities (elevator) available. Group rate available.
PARKS CANADA NATURAL HISTORY MUSEUM 93 Banff Avenue Banff, Alberta T0L 0C0 762-3324	Year-round	Daily 1000-1800	FREE	N/A		Built in 1903, the Museum houses a collection of birds and mammals native to Western Canada. Fossil specimens found in the area are also included.
WHYTE MUSEUM OF THE CANADIAN ROCKIES 111 Bear Street Box 160 Banff, Alberta T0L 0C0 762-2291	Year-round JUN-OCT NOV-MAY	1000-1800 Tues-Sun 1300-1700 Thur 1300-2100 CLOSED Mondays	\$1.00	N/A	½ hr	The beauty of Banff has always attracted artists, including Peter and Catharine Whyte, two of Banff's leading personalities in this artists' haven. The Peter & Catharine Whyte Foundation provided the funds to build this gallery which also houses the Archives of the Canadian Rockies and collections of Banff's Historic Homes. The works of regional and national artists are exhibited with an emphasis on the Canadian Rockies.
WALTER J. PHILLIPS GALLERY Studio Building The Banff Centre Julien Avenue Banff, Alberta T0L 0C0 762-6283	Year-round	Daily 1300-1700	FREE		½ hr	Named in honour of a well known Canadian landscape artist, the Walter J. Phillip Gallery exhibits the work of both Fine Arts staff and students at the Banff Centre as well as showing works by international artists. Exhibitions include paintings, ceramics, weaving, photography, films and slides.
UPPER HOT SPRINGS POOL Mountain Avenue 762-2056 3km from townsite  c/o Visitor Services Administration Bldg. Parks Canada Banff, Alberta T0L 0C0	Year-round SUMMER	Daily 0830-2300 Daily 0900-0900	Adult \$1.75 Child \$1.00	N/A	Approx. 1 hr	Averaging a comfortable 38°C (100°F), the water is naturally heated by surface groundwater seeping downward through porous rock and is warmed by subterranean heat. This heated water flows into a fault thousands of feet below the surface. As more water seeps in, the hot water is forced up through the fault and surfaces at the point we know as the Hot Springs.
UPPER HOT SPRINGS MASSAGE SERVICE Appt. call 762-2966	Year-round	Daily Mon-Fri 1300-2000 Sat-Sun 1000-2000	\$13.00			Towel, suite and locker rental available. Massage service also available on premises. Facials and massage are \$13.00 each. Appointments preferred, but not necessary.

# FOOD SERVICES

Elegant dining with a world-renown view, a quick snack enroute, country-style Western BBQ or something "ethnic" — it's your choice if you are in Alberta. The following chart is a sampling of restaurants and dining facilities in the province and is not by any means a complete listing. Hopefully it will serve as a guide, provide suggestions when your tour clients are on their own for meals and help you plan some new or different dining experiences for your group.

In all cases the facility is more than pleased to receive your group business and do appreciate advance notice of your intended visit. This is particularly true if you wish a fixed menu plan, or rate, or special arrangements. Most establishments will cater to your needs and will be happy to work with you on menu, prices, timing and offer a policy of providing complimentary meals to drivers and escorts. You will find a wide variety of menus, ethnic restaurants, price ranges and decore in the food services outlined in this manual to help you find what's right for the palates of your group. A word about our chart . . .

## HOTEL

Facilities described are part of or associated with a hotel . . .

## TYPE OF FACILITY

**Fine Dine** — a place where the emphasis on atmosphere, cuisine and service provides an elegant, enjoyable dining experience for your clients.

**Casual** — a broad category covering everything in between Fine Dine and Fast Eats. Family-oriented, less formal, go-as-you-are style where food, service decore and price all contribute to a relaxing, casual holiday meal.

**Fast Eats** — This category includes a number of cafeteria style, down-home, quick order facilities that meets your need for quick service, plain good food and economy while on the move.

## PRICES

The category chosen indicates an average per person meal cost based on given menu prices. Although in many cases it is possible to spend more, there will be a selection of items in the price range given and this will reflect a full meal cost (including gratuity) excluding liquor costs, in all cases.

# WINTER IN ALBERTA

Alberta has long welcomed skiers from around the globe to the beautiful Canadian Rockies and in 1988 will welcome the world to the XV Winter Olympics in Calgary. The province has an unusually long ski season stretching from mid-November to late May, providing skiers with hundreds of miles of uncrowded slopes, world class runs and acres of deep powder.

The five principal alpine ski areas are:

Banff's "Big Three" — Lake Louise, Mt. Norquay and Sunshine Village, Jasper's Marmot Basin and Fortress Mountain in the Kananaskis Country. All five are located along the 500 km (300 mile) stretch of the Continental Divide, situated among some of the most spectacular scenery in the world.

Cross-country skiing opportunities abound in Alberta, from the high country setting of Banff and Jasper to the guest ranches of the foothills and city parklands.

With superb skiing, excellent facilities and exciting apres ski action - it's easy to see why Alberta should be considered as a winter holiday destination.

For information on booking ski tours please refer to the section on Receptive Tour Operators in the Mini-Directory.

## BANFF ALPINE SKI AREAS

### Mount Norquay

Only 8 km (5 miles) from Banff Townsite, this area offers a good variety of terrain, ranging from beginner to challenging expert runs.

#### Mailing Address:

Box 1258, Banff, Alberta T0L 0C0
